Expertise Summary

CDS Services, Inc. DBA Legion Pest Management was incorporated in 2013 by Veteran Entrepreneur David Poplin who has over 27 years of experience in the Pest, Rodent & Weed Management Industry. Legion specializes in developing cost effective custom IPM programs for all size properties while focusing on environment and safety of others by using Reduced Risks & 25B Exempt products.

As a National Associate Certified Entomologist and Subject Matter Pest Expert, Legion can create a Pest Management Program for your site. Our area of specialty is servicing sensitive locations such as VA Hospitals.

Member of: Entomological Society of America, National Pest Management Association (NPMA), Pest Control Operators of California (PCOC)
